MATERIAL CHARACTERISTICS

CERAMIC

The smooth, glossy glaze highlights the straight outer walls and the sloped inner bowl.

FORM AND FUNCTION

The 255 mm depth suits shallow countertops. The right-hand deck accommodates a single-hole tap, while the bowl wall beside it incorporates a round overflow.

STANDARD FINISH

Glossy white ceramic is the standard finish. The swatches show reference colours. Contact DIFANNI for finish availability.

CLEANING

Clean with a soft cloth and mild soapy water, then rinse and dry with a soft cloth. Avoid abrasive cleaners and scouring pads.

ACCESSORIES AND OEM / ODM

Contact DIFANNI for compatible tap and waste fittings, sample requests and OEM / ODM options.
