CERTIFICATIONS

CE marked

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface and a glossy white finish.

FORM & FUNCTION

The rounded-square footprint combines a continuous fine rim with near-vertical outer walls. The rear platform accommodates a single-hole basin mixer.

STANDARD FINISH

Glossy white as standard. The six swatches show DIFANNI finishes for reference. Confirm availability for model 2627 when ordering.

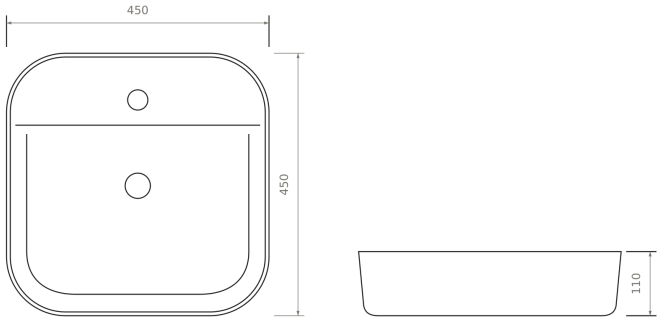
INDICATIONS FOR CLEANING

Clean with a soft cloth and mild soapy water, then rinse and dry. Avoid abrasive pads and strong cleaners.

ACCESSORIES & OEM / ODM

Contact DIFANNI for tap and waste compatibility, accessories, samples and project requirements.

TECHNICAL DRAWING



All dimensions in millimetres (mm). Drawing not to scale.

Verify installation and countertop cut-out dimensions against the actual basin.
