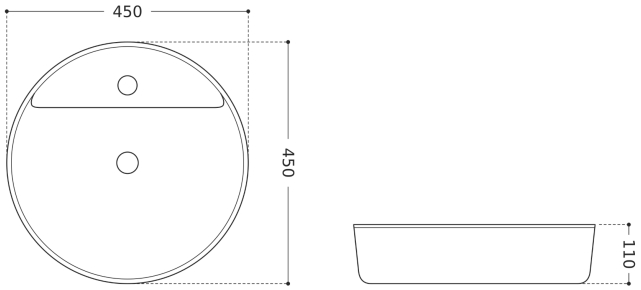
Waste outlet **On basin centreline**
Material **Glazed ceramic**
Standard finish **Glossy white**

CERTIFICATIONS

CE marked

TECHNICAL DRAWING



All dimensions in millimetres (mm). Drawing not to scale.

MATERIAL CHARACTERISTICS

CERAMIC

Glazed ceramic with a smooth surface. The glossy finish highlights the shape of the basin and is easy to clean in everyday use.

FORM & FUNCTION

The low circular profile pairs a slim rim with a near-vertical outer wall and a softly rounded base. The integrated rear deck accommodates a single-hole tap.

STANDARD FINISH

Glossy white ceramic as standard. Additional finish samples are shown alongside. Contact DIFANNI for availability and order requirements.

INDICATIONS FOR CLEANING

Clean with a soft microfibre cloth and soapy water, then dry with a soft cloth. Avoid abrasive sponges, solvents and strong alkaline cleaners.

ACCESSORIES & OEM / ODM

Contact DIFANNI for tap and waste compatibility, accessory supply and OEM / ODM options. Ceramic colour, branding and packaging customisation can be discussed for project orders. Samples, technical drawings and pricing are available on request.
